Dear Stephanie,

Last night my friend who accepts funds for Priscilla's Children for tax deductible purposes brought a huge check of \$2,000.00 to me.

I almost stopped breathing because I was just flabbergasted.

Frank Borne, who is a great supporter of the R. J. Payne Orphanage ministry had told me <sup>something</sup> about a matching amount from a company for whatever he came up with as benefit to the orphanage ministry.

I did not expect such a breathtaking amount; but here it was just in front of my face for real "\$2,000.00 USD" to enhance the R. J. Payne Orphanage ministry!

If there were any other phrase for me to use besides "Thank you" I would gladly use it in order to express my gratitude for this very generous donation from people who do not even know us.

Your sharing with us the blessing with which

Thank you so much.

God has blessed you shows me that you truly are Christ like as He bids us who believe in Him.

The Children and staff join me to say a sincere, heartfelt "thank you" to you and all who participated in the generosity that made it possible for R. J. Payne Orphanage to benefit in this unique giving of your

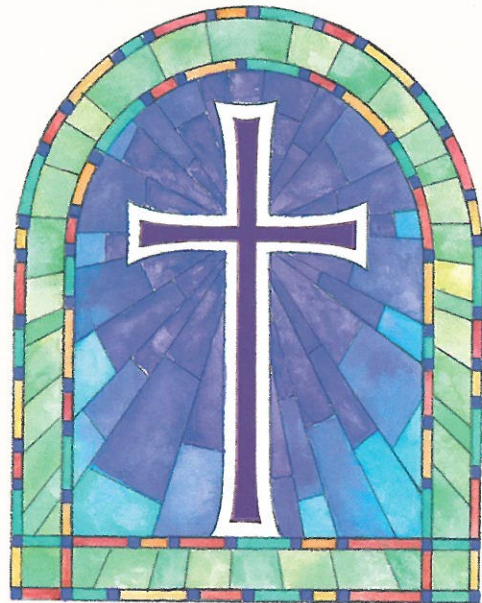

possession.

may God continually  
supply your needs as you  
bring sunshine and joy  
to the hearts of the needy.

In Christian Love,  
Triscilla
