Baltimore SmartCEO Honored Fast-Growth Companies at its 2014 Future 50 Awards Ceremony, Jan. 23

More than 550 Baltimore executives joined Baltimore SmartCEO in celebrating 60 of Greater Baltimore's fastest-growing companies.

Baltimore, MD (Jan. 24, 2014) — Baltimore SmartCEO and Title Sponsor Kaiser Permanente honored the 2014 Future 50 award winners at a basketball-themed awards ceremony, which took place on Thursday, January 23, 2014 at the Hunt Valley Inn. Sixty Greater Baltimore companies were recognized for their fast-growth based on a three-year average of employee and revenue growth. In all, 50 mid-sized Future 50 companies, five small Emerging Growth companies and five large Blue Chip companies were recognized in the program. The 2014 Future 50 winners collectively generate \$2.3 billion in annual revenue and employ 14,945 individuals in the Greater Baltimore area.

See below for a complete list of winners. For more information on the Future 50 winners, visit www.smartceo.com to view the digital edition of the January 2014 issue.

“The companies we honored this year are growing in spite of the economic hardships we have all been facing. These companies are investing in themselves, investing in their people and rising above the rest. They deserve to be recognized and celebrated because they are moving the economy and the region forward,” says Jaime Nespore, regional president of SmartCEO. “We are proud to recognize them for their achievements and growth.”

More than 550 executives, friends and family attended the black-tie-optional event to celebrate the winners and their achievements. The evening kicked off with a cocktail hour and high-level networking. A seated dinner and video-packed awards ceremony followed to honor and celebrate the 2014 Future 50 Award Winners.
